

DPS INDIRAPURAM

Bus routes for the session 2018-19 for class Nursery & Prep.

1. We cannot assure transport for all areas, it is based on the availability of seats & existing routes.
2. Minimum strength required for plying any bus route is 25 students.
3. The routes of the school buses are fixed. Only minor changes will be entertained, depending on the basis of time margin and width of the road. The bus route will ply only on the main roads not in the exterior of the colonies.
4. Presently route no. J-5A , J-8A & J-9A have less than 25 students, these routes may not ply in the coming session 2017-18. If the strength increases upto 25 students then only these bus routes will continue. Final decision will be taken after the complete admission process is over.
5. No addition of any new route will be entertained between the session.
6. We are planning to run the routes in new areas like :-Raj Nagar Extn., Gaur Chaowk (Noida Extn.). In case we admit children from these areas.
